Historian Report: Josh reported on the Community Fair at the Library and that we received a
donation and two people expressed interest in volunteering. He has been successful in
obtaining a grant for a marker for the Power Canal and we need to find out who has
control over the "park" by the Alcoa Bridge so that we can get permission to put the
marker there. Josh attended the budget hearing and seems all sent well. He is working
on a display about the Robinson Bay tug boat.

Archivist Report: Linda working on completing projects.

Town of Massena Representative: Board is working on the Town Budget and hopefully no more
cuts will be necessary. She would look into who owns the park by Alcoa Bridge so that
the Power Canal historical marker can be put up.

Motion Tim LaRose, seconded by Bonnie Weitz to adjourn – Carried
